

iPad OSMO KIT

Kit Barcode: 33357004914295

Ages 6-10

Fun-filled & Award winning learning games that interact with actual hand held pieces & an iPad, bringing a child's game pieces & actions to life. Games are designed for beginner to expert levels, to support the continuation of learning. Osmo is currently NOT compatible with the 11-inch and 12.9-inch iPad Pro. The minimum iOS version needed is iOS 9.

To use this kit, you need your own iPad and Wi-Fi to download free apps to your device. There is a different kit which is compatible with Kindle Fires. See librarian to place a hold if the kit you need is not available!

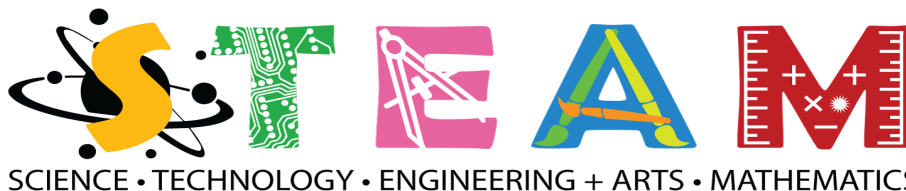

HERE'S WHAT'S INCLUDED! Kit replacement cost - \$100 (Osmo kit), \$10 (bag)

7 DAY LOAN and \$1.00/day overdue fee
